### **GFC Library Committee**

On December 4th the GFC Library Committee held a meeting. We discussed a new draft of an Open Access policy. We spoke about the Library's budget updates as well as heard reports from our University Librarian and Associate University Librarian.

### **General Assembly Meeting**

The General Assembly meeting this month went well. We discussed plans for next semester, notably Last Class Bash, which I'm sure is going to be super fun and I hope to see lots of people there!

### **Ender Bender volunteering**

I was a "helper elf" for this year's Ender Bender Reindeer games! Jessica Jones planned such a fun night at the zoo and I had so much fun watching and encouraging people to participate in all the fun holiday themed games. Congratulations to all the winners and thank you to Jessica for making this night a success!

### **Facebook and Initiative planning**

I dedicated some time this month towards initiative planning and queuing facebook posts for next semester. I have been brainstorming some ideas that I hope will make everyone's First Year at ULeTh a memorable one! I can't wait to see what 2019 brings!
