- Meeting with Board of Governors Chair
- EC
- Senate
- General Faculties Council
- Legislative Review Committee
- Chancellor Search Committee
- Dean of Health Sciences Search Committee
- General Assembly Meeting
- Board of Governors Meeting + Holiday Celebration

Descriptions of Notable Meetings/Events:

Gill and Cade Awards Meeting

Every year, these scholarships are given to exemplary students on our campus who are doing amazing things to improve both our campus and external communities. It was an absolute pleasure to read through the applications, and learn more about our accomplished student body.

Meeting with Board of Governors Chair

On a yearly basis, the Board of Governors Chair, Kurt, meets with new Board members to ask us how we feel we're acclimatizing to the board and our new roles. We had a great discussion, and I was able to learn more about how to best represent students at the Board table.

Senate

We attended our December Senate meeting. At this meeting, we did our annual Pass the Hat fundraiser, which involves us passing a hat around to collect money for the Food Bank. We raised a lot of money at Senate this year, and the support is always appreciated. In addition, we also cast our ballots for honorary degree recipients. While those results are confidential, I am very happy with the results that followed the ballot process.

General Faculties Council

At this meeting, we also raised money for the Food Bank through the Pass the Hat fundraiser. We also raised a good amount of money at this meeting. Other than that, this meeting was par for the course as we discussed many curriculum changes.

Chancellor Search Committee

I am the ULSU representative on the Chancellor Search Committee. This process is highly confidential, so I cannot say much other than we are working through the process of determining our next chancellor.

Legislative Review Committee

At this month's LRC, we really made some good headway in terms of creating our new constitution.

Dean of Health Sciences Search Committee

Much like the Chancellor Search Committee, this process is highly confidential. As such, I can only say we had a productive meeting and we are working through the process as efficiently as possible.

GA Meeting

We had our GA meeting this week. We had a productive meeting, and we were able to pass our budget for LCB! We also had our annual holiday party after, which was filled with many laughs and smiles.

Board of Governors Meeting + Holiday Celebration

We had our third BoG meeting of our terms. At this meeting, I also conducted the Pass the Hat fundraiser. The Board had many important discussions, and I look forward to our next meeting.

Thank you for taking the time to read this, and feel free to contact me with any questions or concerns you may have regarding my report.

Very Best,

Laura Bryan
