Highlights and Reflection on monthly activity	
Projects in Progress	<ul style="list-style-type: none"> - Working on creating supports for students partaking in Ramadan - Black History Month events - Got involved with the AssureUs club. I want to do more to help them and help international students through them but school starting has been a bit of a road block with that. But I'm going to balance it out soon.
Completed Projects	
Challenges I've encountered:	<ul style="list-style-type: none"> - Survey for students about Ramadan couldn't fly because of some issues that we ran in to but we are figuring out another way to provide the support that students could need

**Goals I've accomplished
this month:**

MOVING FORWARD

Current or upcoming tasks:

Events I am thinking of doing (but not too sure yet):

- Having a "speed dating" event with international students and domestic students??? To allow for them to meet and mingle allowing for that cross-cultural phenomena
- Financial literacy event with RBC
