**February, 2019 Report**

Contribution hours: 109 hours

*Note:*

*This report is to be used for both the purpose of reporting to the ULSU but also Co-op so this document may contain a lot more reflection to fulfill my requirement for Co-op. This is used as a learning tool to explore the role to see where improvements can be made and also to improve my work ethic as a whole for my future career.*

**Sexy Week**

Sexy week went on with a few changes this year. The first being Carnations rather than Roses as they've gone up from \$1 per to \$3. The other two events being hosted by Kappa Beta Gamma and Kappa Sigma. Sexy Talk ended up being canceled as we were unable to find a speaker in the time. We had talked about having Reel Talks to speak on Mean Girls initially and that was canceled and I found out about it two weeks prior, I asked a few profs including Sheila McManus, Paul Vasey and Hillary Rodrigues. I also considered looking at bringing in some Drag Queens in to speak on how that experience. My advice is to ensure that someone is booking a speaker for that event or to do so yourself and early so you can secure one before too late because it sucks when you don't have one. I feel like this week could be grown upon a lot more as well, but I have a good feeling that my successor might already have an idea or two.

**Election Week Meet & Greet**

We had hoped that this would draw in a lot of students to join the SU. Unfortunately we didn't have as much pull as I had hoped, granted this is the first time this has been offered in years... so maybe it'll be better if it's done again? It's hard to know especially since no one who came signed up... I hope that this might be something that is better in future years... if you're willing to do it again.

**Transition Committee**

Has been pushed back to April 12th-15th. Not a lot to report otherwise

**SU Student Awards**

Nominations are starting to come in and I would like to say that I'm genuinely pleased with those submitted. My goal is to have every member of the ULSU submit a

nomination, which is a little ambitious but I'm feeling optimistic. I'm working on a time to meet with the Committee and we'll see who will get an award at the Change Over Dinner.

**Change Over Dinner**

Speaking of the Change Over Dinner (previously Recognition) I just put forward the budget forward. So we'll be working on making it a dinner these attendees will not forget.

**Meetings Attended:**

Tuition Fee Discussion - February 7th  
Arts & Science Council - February 7th  
Clubs Council - February 12th  
Tuition Fee Discussion - February 25th  
Safety Meeting - February 25th  
EC - February 8th, 27th  
ADAC Meeting - February 27th  
General Assembly Meeting - February 27th

**Challenge (How Challenging this Position has been to this Point) 6/10 –**

Definitely a challenge keeping up the work ethic this month but having a break helped significantly.

**Skill Development (How My Skills Developed up to this Point) 4/10 –**

Had a bit more skill development as I'm transitioning into different types of projects with the year-end stuff.

**Interest (My Interest in the Position) 6/10 –**

It's definitely difficult keeping my interest from waning when being so close to being finished but there are a few projects that I feel I need completed before I'm done which are motivating me forward

**Summary/Comments**

February was a much better month for me compared to last. I'm hoping to kick it out of the park in these last few months while I still have the chance.

Thank you for taking the time to review my report. If you have any questions, concerns, or complaints feel free to contact me at [su.studentaffairs@uleth.ca](mailto:su.studentaffairs@uleth.ca).
