MEETINGS

AI Teaching and Learning Working Group
- Discussed current AI detection software being deployed by the University, Turnitin
- Discussed potential alternatives to Turnitin and the necessity of such software.
- It was interesting providing a student perspective on these issues and hearing the other side of concerns surrounding AI usage in University courses.

GA Meeting – February 13
- I was late to joining the meeting as I was driving in from out of town and no dial-in info was available.
- Tabled a motion, but I joined halfway through discussion, so I did not vote, as I was not fully aware of everything that had been brought forward.
- Approved of a budget expenditure for the GA/EC transition retreat.

EDIA Meeting
- Discussed EDIA, Indigenous Awareness and Gender Based and Analysis training for GA members.
- Came up with a strategic action plan which involved gathering information and brining it back to our next meeting.

OTHER EVENTS

Speed Friending
- Volunteered for the speed friending event on February 15 for sexy week.
- Assisted with set up and take down of the event.
- The turnout was not the best unfortunately, but it was still nice to meet new students and make new friends!

Stress Less Week – Snack Stations
- Supervised the snack station in the Science Commons Atrium on February 1.
- Assisted with set up, manning, and take-down of the snack station in the Library Entrance on February 2.

Stress Less Week – Bob Ross Paint Night
- Assisted with set up and take down of the event.
- We got a bit of a late start to set up unfortunately but still managed to make do!
- The turnout was good and a lot of people enjoyed the event, I even participated myself and brought some friends along!
