**ULSU Spring Club Rush Tabling**

During Club Rush week I spent some time tabling for the SU to speak to students, faculty, and visitors to the university to bring awareness to ULSU events and initiatives. I also collected pledges from students, faculty, and community members for the Get Out the Vote Campaign.

**ULSU General Assembly**

On Wednesday January 23, I attended the General Assembly. QIP money was approved for an event from the Women Centre and a conference for Geography Club. For a more in-depth summary see the meeting minutes at <http://ulsu.ca/general-assembly-minutes>.

**ORS Council Meetings**

The Organization of Residence Students has a weekly meeting with all of its officers, where I sit as chair. We hear and vote on various proposals from the officers for several initiatives and events within Residence.

**Dining Plan Advisory Committee**

Many ORS members, myself included, sit in a monthly meeting with some of the managers and supervisors from Chartwells. We serve as representatives of those living in residence, and bring feedback to Chartwells in order to improve the dining plan program.

**Legislation Review Committee**

I sit on the Legislation Review Committee, an internal committee in the ULSU. We have been reviewing the ULSU's constitution and have presented it to the General Assembly to be brought to the students for approval at a later date.
