General Assembly

On Monday October 1, 2018 we met as a general assembly.

Let There Be Light Night

I attended the Let There Be Light Night as a representative of the SU. This event is put on in spirit of our motto, Fiat Lux, let there be light. It was put on by the Alumni Association. Each year they honor alumni from the University of Lethbridge. This event took place on Friday, October 12th from 7pm onwards.

ULSU Tabling

This month, I tabled for the New City concert and to promote the updated cannabis policy.

Legislative Review Committee

The LRC committee is a yearly committee chaired by the VP Operations & Finance. This committee focuses on reviewing all regulations and bylaws set forth by the ULSU.

General Assembly

On Wednesday October 23rd, 2018 we met as a general assembly. During this month's meeting we ratified the results of the September by-election. In addition, we ratified the financial audit from last year. There was nothing out of the ordinary in the financial audit.

Arts & Science Council

For this month's Arts & Science council, I was unfortunately in class and had to send in my regrets. If you have any questions with regard to this meeting please contact VP Academic, Imogen Pohl, for more information.
