ULSU Tabling

This month, I did some tabling selling tickets for the New City Concert as well as talking about the recent legalization of cannabis.

General Assembly

On Monday, October 1st, 2018 and October 23rd, 2018, we met as a general assembly.

Let There Be Light Night

I was invited to attend the Let There Be Light night as a representative of the SU. This is an event put on by the Alumni Association, where they honor alumni from the University of Lethbridge.

ORS Council Meetings

The Organization of Residence Students has a weekly meeting with all of its officers. Various proposals for different initiatives and events are put forth, and we make decisions on behalf of those living in residence.

Education Faculty Committee

I had the opportunity to be a part of the Education Faculty Meeting, where we reviewed and voted on proposals on changes to be made to the Education program and the classes within.

Legislative Review Committee

The LRC committee is chaired by the VP Operations and Finance of the SU. Our focus is to review the constitution and operations manual of the SU and to suggest changes where applicable.

Dining Plan Advisory Committee

I serve as one of the representatives of those living in residence in the committee, and we bring residence student feedback to Chartwells, our food provider, in order to improve the dining plan program.

Education Curriculum Committee

Unfortunately, due to class I was unable to attend this meeting and had to send in my regrets. If you have any questions with regard to this meeting please contact the SU VP Academic, Imogen Pohl.
