Martha Mathurin Moe Meeting – 1.0hrs

I was able to connect with a campus emblem for EDIA. We were able to discuss some of the ways that students can make an impact on large-scale issues in society.

EDIA Committee Meeting – 1.0hrs

I chaired the first EDIA Committee Meeting. We discussed a timeline for training the General Assembly on important topics and set a strategic plan to maximize effectiveness of EDIA-related interventions.

Indigenous Relations Chair Meeting- 1.0hrs

I was able to connect with the chair of the ULSU Indigenous Relations Committee so that we could see how the mission of this group and the EDIA committee can thrive.

Promotion

- Promotion of events on personal Instagram account
- Wearing ULSU merchandise on campus
- Preparing for all meetings by preparing questions & reading the agenda.

	CURRENTLY
Projects I'm working on:	 Kids Cancer Care – I am working to find ways that this organization can make an impact on students. I am also investigating the possibility of offering Kids Cancer Care as a volunteer resource for University of Lethbridge students. EDIA Committee – I am chairing the EDIA Committee and uncovering the impact we can have on policy in our community. Mentorship Project – I am currently developing one of the most innovative strategic mentorships plans in the country. Currently piloting in the nursing program, this program will eventually expand to oversee all of health sciences. Connecting with RBC – I will be re-connecting with RBC on campus to see how this group can provide educational services for University of Lethbridge Students.

MOVING FORWARD
