Attended the General Faculty council orientation and following meeting which totaled 4.5 hours. Being that it was the first meeting I attended as Health Science rep, it was a great opportunity to meet and connect with the other council members.

Faculty of Health Sciences Meeting

I attended this meeting on Wednesday, September 13th. It ran for a duration of 1 hour and was very informative. I look forward to being able to contribute to and learn from this committee.

GA Meeting

I attended the General Assembly meeting on Wednesday, September 20th for a total of 3.5 hours.

I was a part of the Fresh Fest take down crew on Sunday, September 10th. It only required approximately 2 hours thanks to the great turn out of volunteers.

Tabling for Academic Speaker

I contributed a total of 2 hours to tabling for this event.
