Chancellors Dinner

I attended and volunteered at the chancellor's dinner over the summer. On behalf of the ULSU, we operated the coat check and raised \$212.20 for the ULSU food bank. An additional \$200 was pledged from the University of Lethbridge, bringing the total donation up to \$412.20 for the event.

Fresh Fest Cleanup

I volunteered to help cleanup and takedown after day two of fresh fest. We spend the afternoon cleaning up cans and trash from the night before. We also took down all of the fencing and various tables and tents around the area.

ULSU tabling during club rush

Over club rush week I spent 6 hours tabling for the ULSU to bring awareness to ULSU events and initiatives. During this time, I spoke to students, facility and bystanders about what the ULSU has to offer. We collected signatures for the tuition letter to Marlin Schmidt, the minister of postsecondary education.

General Assembly

On Wednesday September 26th I attended and participated in the General Assembly meeting for September. During this meeting we voted on the open positions in the GA, heard presentations from the IGEM and Half Life, voted on various QIP funding initiatives and some new items for the Zoo. Check out the meeting minutes at <http://ulsu.ca/general-assembly-minutes> for more information.
