### **ULSU Club Rush Tabling**

During Club Rush week I spent some time tabling for the SU to speak to students, faculty, and visitors to the university to bring awareness to ULSU events and initiatives. We also collected signatures for a letter concerning tuition to Marlin Schmidt, the minister of Postsecondary Education.

### **ULSU General Assembly**

On Wednesday, September 26, I attended the General Assembly meeting for September. We voted in the new First Year, Health Sciences, and Fine Arts representatives, heard presentations from various groups, voted on QIP funding proposals from the same groups, as well as some proposals for the Zoo. For a more in depth summary see the meeting minutes at <http://ulsu.ca/general-assembly-minutes>.

### **ORS Council Meetings**

The Organization of Residence Students has a weekly meeting with all of its officers, where I sit as chair. We hear and vote on various proposals from the officers for several initiatives and events within residence.

### **Dining Plan Advisory Committee**

Many ORS members, myself included, sit in a monthly meeting with some of the managers and supervisors from Chartwells. We serve as representatives of those living in residence, and bring feedback to Chartwells in order to improve the dining plan program.
