During the meeting with Kristin and Kathleen, Kathleen offered me a spot on the newsletter and the advising team at the Calgary campus has offered to send ULSU event-related information to students on my behalf.

Various students approached me through the official mail for volunteering for events and create an engaging community within the campus. Students have also reached out to me regarding the UPass for the Calgary campus.

I attended various meetings with Jessica and the rest of the advising team regarding final details for the NSO.

I reached out to Cheri and Maleeka regarding getting some swag items and some gifts for winners and freshers.

Upcoming meeting Joan, former Calgary campus President regarding WINS as well as Kristin to set priorities for the upcoming semester.

Long term goals include creating engagement and a sense of belongingness through events like movie night, patio meet-up, Diwali celebration and many more.
