ULSU Strategic Planning Committee

This committee continued the work of creating a strategic plan for the Students' Union to follow for the next several years. This month we narrowed our focus to several large objectives and begun constructing the document itself.

December General Assembly

At this month's General Assembly meeting we approved the budget for this year's Last Class Bash and to bring Walter Echo-Hawk, an Indigenous speaker, to campus this semester as well. If you would like to know more, the full minutes are on the SU's website.

ULSU Legislative Review Committee

Led by our VP Operations and Finance, we are reviewing and editing the Students' Union Operations Manual, which contains our Constitution, Bylaws, and Policies. Each member of the committee has been given a section and was given the winter break to suggest some changes.

GA Holiday Party

After our December General Assembly meeting, we met to exchange gifts and to celebrate the past semester.
