Contribution Hours for December: 5
Total Contribution Hours: 30

- General Assembly, Dec 5th (4hrs)
- Executive Accountability Survey (1hr)

General Assembly

I attended the General Assembly where we discussed some various proposals from the expenditures of new office computers, Earth Day, scheduling an Indigenous speaker for the spring semester, and Last Class Bash. We also entered into camera at the end of the meeting. We also had our secret Santa gift swap.

Executive Accountability Survey

I completed the executive accountability survey in order to present our executive council with some constructive feedback. They will receive this feedback in the spring semester.

Please feel free to reach out to me via email if you have any question about my role or any of the meetings I attended during this past month. Thank you for taking the time to read my report.
