December GA Meeting

At this GA meeting a presentation was given by Mike Frank. The executive council and some of the other GA members filled everyone in on some of the tasks they had been working on. This meeting also included the ratification of the new Dhillon School of Business Rep, Keiffer Jennings. The council also voted on various affairs that involved utilizing the SU funds.

GFC Library Committee

At this meeting two librarians shared the results of the LibQUAL survey, which helped them gather information on how to improve library services. The University Librarian, Dr. Christopher Nichol reported back on some of his recent work. The Associate University Librarian, Ms. Wendy Merkley did the same as well.

Online Engagement Committee

At the most recent committee meeting we discussed how to put in place the Holiday Crafts Competition. I worked on the competition rules with Becca and Keiffer. Unfortunately some members of the committee were too busy and we were unable to distribute the competition over social media. We may host a similar winter crafts competition in January.

GA Bonding

For GA bonding Haley organized Secret Santa for the GA. I participated and received an awesome gift from Selena! Over a zoom call after Christmas, we all opened our gifts together!
