Hours Breakdown

(Meetings, events and activities that I've attended in my role, with an hours breakdown)

GA Assembly – Dec 2nd (2.5 hours)
 Mental Health Committee (1 hours)
 Winter GA Assembly (2 hours)
 General Faculties Council (2.5 hours)

Highlights and Reflection on monthly activity

(Information of note, what went well, what did not)

Collaborated with fellow GA members in my committee meetings to further improve the well-being of students, particularly those of the DSB. Although some meetings were challenging and not easy, I was still able to let me opinion heard when appropriate. I definitely wish I could have dedicated more time to the ULSU and the DSB throughout the tumultuous final's/holiday season. This is something I will seek to make up for this coming January

Projects in Progress

(Projects that I am currently working on, who I am working with, what resources do I require?)

Mental Health – Stress less week planning of activities, coordinating RBC events with Lucas for the betterment of both DSB student and the student body at large.

Completed Projects

(Projects that I have completed, what went well, what did not, and why)

Winter Clothing Drive was completed in December, could've been better coordinated but potentially starting the project up earlier in the coming spring semester may reap greater success. Overall, I am happy with the initiative but recognize that a lot of fine-tuning work is still needed.

Challenges I've encountered:

(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).

I have been struggling with the seemingly last-minute nature of GA related events, projects and initiatives being planned and have had a hard time dedicating time in the schedule for it because of it. I seek to work on this communication deficiency on my end this coming year.

Goals I've accomplished this month:

(kept up with regular duties &/or accomplished additional goals)

Continued working on bettering the winter living conditions of the student body in general

Kept up with regular assigned duties

Continued facilitating an open channel of communication between myself and the student population

MOVING FORWARD

Current or upcoming tasks:

(upcoming activities or tasks I will be participating in or spearheading, possible timeline of completion, who will I be working with).

Continue working on scheduling a fantastic stress less week for the students!

I also wish to coordinate some further bonding activities for the current GA and any future additions to it!

Goals for next month:

(What I would like to accomplish next month as a ULSU representative)

Better communication between myself and executive council/ Cheri.

Promotion of an open channel for students to give any kind of feedback to how both Lucas and I have been doing

Schedule an in-depth meeting with Kerry Godfrey covering the current state of the DSB student population and the near future of it

Important dates/deadlines:

(important deadlines related to my goals or position).
