Report: December 2022

Provincial:

- Regular informal meetings/communication with CAUS GOTV Coordinator
- Regular informal meetings/communication with CAUS Executive Director
- Regular informal meetings/communication with CAUS Vice Chair
- Interview(s) for CAUS Website designer role (Dec 1 and 2)
 - We ended up hiring a student from the U of A to redo and fix the CAUS website! It was desperately in need of an update, so hopefully this change will make it more accessible to students.
- Institutional Check in with SAMU (Dec 5)
- Interview for United Way GenNEXT Podcast (Dec 5)
 - CAUS ended up being not the right fit for the podcast they had in mind, however, it was still so important to make this connection with a great organization. There may be some more chances to collaborate down the line, especially given the conversations surrounding the importance of youth voting that we will be having in the spring!
- Institutional Check in with AUSU (Dec 7)
- GOTV bi-weekly meeting (Dec 7)
- Weekly CAUS Staff meeting (Dec 7)
- CAUS Board Meeting (Dec 8)
- Intro meeting with Website designer (Dec 8)
- OPEC Meeting (Dec 9)
 - We spent this meeting finalizing the work plan for the spring semester!
- Meeting with Executives from the Students' Association of Bow Valley College (Dec 9)
- Meeting with the new Chair of ASEC (Dec 9)
- Check in with Ministry of Advanced Education (Dec 16)
 - This was a chance for us to follow up on the conversations we had with the Ministry at SAMRU Counterparts!
