Highlights and Reflection on monthly activity

(Information of note, what went well, what did not)

This month was a short one. It consisted of tying up loose ends for the semester such as making sure budgets were being spent and that Ra's were prepped for next semester. Residents were still very engaged during finals which was nice to see!

Projects in Progress

(Projects that I am currently working on, who I am working with, what resources do I require?)

Hurricanes game is happening soon! All that is needed is to now distribute the tickets to residents as well as attend the game! I am very excited for this to happen!

Completed Projects <i>(Projects that I have completed, what went well, what did not, and why)</i>	<p>Winter formal is now complete.</p> <p>End of the semester budgets are complete.</p> <p>All events and initiatives for semester 1 are complete.</p>
Challenges I've encountered: <i>(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.)</i>	<p>I have encountered some challenges navigating schoolwork alongside GA work and delegating to my ORS team during the finals season. This was expected though!</p>
Goals I've accomplished this month: <i>(kept up with regular duties &/or accomplished additional goals)</i>	<p>I think that I have accomplished a lot over the past month and whole semester! I am very happy with the progress that I have made in connecting residents to the student union!</p>

MOVING FORWARD
