## LOOKING BACK

### Hours Breakdown

*(Meetings, events and activities that I've attended in my role, with an hours breakdown)*

**Executive Accountability Committee (EAC) Review Meeting: 2 hrs (Dec 4)**

**Midnight Breakfast: 3 hrs (Dec 5)**

**General Assembly December Meeting: 5 hrs (Dec 5)**

**GFC Meeting: 2 hrs (Dec 9)**

### Highlights and Reflection on monthly activity

*(Information of note, what went well, what did not)*

December was focused on final meetings and student support initiatives before the end of the semester. The **Executive Accountability Committee (EAC) Review Meeting** allowed us to analyze feedback and prepare recommendations for executive accountability moving forward.

The **Midnight Breakfast** event was a fantastic opportunity to engage with students and provide a supportive space during final exams. This event fostered a sense of community and helped students de-stress.

The **General Assembly Meeting** was the final GA session of the semester, with important discussions on university policy, student concerns, and upcoming initiatives for the new year.

Attending the **GFC Meeting** enabled further advocacy for Arts and Science students at the faculty and administrative levels.

### Projects in Progress

*(Projects that I am currently working on, who I am working with, what resources do I require?)*

Executive Accountability Report: Finalizing key insights and recommendations from the accountability review process.

### Completed Projects

*(Projects that I have completed, what went well, what did not, and why)*

EAC Review Meeting: Successfully reviewed collected feedback and proposed action items for future accountability measures.

Midnight Breakfast: Assisted in organizing and executing a well-received student support initiative during finals.

General Assembly Meeting: Participated in key discussions shaping the direction of student governance for next term.

GFC Meeting: Engaged in academic policy discussions affecting Arts and Science students.

### Challenges I've encountered:

*(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).*

**End-of-Semester Scheduling Conflicts:** Balancing meetings and student events with final academic responsibilities was a challenge.

**Student Engagement During Exams:** Encouraging participation in governance discussions in December proved difficult as students focused on finals.

**Goals I've accomplished this month:**

Participated in final governance meetings, ensuring student representation in GA and GFC discussions.
