

Name: Tejaswani Khurana
Position: Calgary Campus Representative
Month/Year: December/2023
Hours contributed: 15-20

Goals I am pursuing:
NSO January, event planning for the next semester

Meetings/events attended:

Meetings with Kristin and Jessica to discuss NSO and my contribution in it. We discussed giving ULSU swag in welcome bags, and my participation in the Q&A session as a student rep to answer any USLU-related questions including Health and Dental, starting a club etc. and also share my perspective as a student.

The proposal for Diwali was approved but could not be executed since the funds were not made available to me on time. I plan to take steps to prevent it in the future since everything has been planned out by me. I had a meeting with Maleeka to discuss the same and we came to efficient solutions.

I am now focusing on the NSO to take place in January since we are expecting a larger turnout now. We also discussed some events for Spring 2024 like movie night, library session, an RBC event etc.

Tactics on sharing SU event information:

During the meeting with Kristin and Kathleen, Kathleen offered me a spot on the newsletter and the advising team at the Calgary campus has offered to send ULSU event-related information to students on my behalf.

Long term goals include creating engagement and a sense of belongingness through various events.
