LOOKING BACK

Meetings & activities attended, people I've spoken with:

Note: The following meetings are listed by the occurrence date, not by importance. If you have any questions about anything laid out in the report, please feel free to contact me at su.healthsci@uleth.ca.

Alberta Alliance for Healthcare Providers – 2.0 hours

I was able to meet with representatives of institutions across Alberta to investigate the coalition of healthcare related programs within the province.

GA Meeting – 1.5 hours

We held a general assembly meeting to discuss student affairs, areas of growth, and opportunities for the second semester.

ULSU President Check-In Meeting - 1.0 hours

I met with the ULSU President, Maleeka Thomas, to check-in on the progress we have made so far this year. This was a great opportunity to ensure that the goals of the Faculty of Health Sciences align with those that the ULSU has to offer.

LC Board of Governors Dinner– 3.0hrs

I attended the LC Board of Governors Dinner as a student representative of the ULSU. I was able to connect with several faculty members from both Lethbridge College, and the University of Lethbridge. It was great to see the showcase of what students have been working on across the river.

CKXU Session– 1.0

I spoke on CKXU about the research on mentorship in healthcare that is currently being conducted within the Faculty of Health Sciences.

GFC Preparation General Faculties Council – 4.0hrs

I attended GFC as we talked about the important topics that are currently impacting students. This was a great opportunity to connect with leaders in the community and represent the values of the students.

Faculty HSC Meeting – 2.0hrs

Items discussed included several important items such as curriculum changes, and some of the challenges seen within the student population.

Meetings for Student Related Concerns – 2.0 hours

I met with a panel of faculty members to discuss academic cases within the student population as a representative of students.

Promotion

- Promotion of events on personal Instagram account
- Wearing ULSU merchandise on campus
- Preparing for all meetings by preparing questions & reading the agenda.
- Encouragement of all GA members to complete Sexual & Gender Based Violence Training

CURRENTLY

Projects I'm working on:

EDIA Committee – I am chairing the EDIA Committee and uncovering the impact we can have on policy in our community.

Mentorship Project – The mentorship program at large is airing its 2nd cohort of students amongst the Faculty of Health Sciences Students after program success in first semester.

Connecting with RBC – I will be re-connecting with RBC on campus to see how this group can provide educational services for University of Lethbridge Students.

Connecting with ORIS: I hope to connect with the ULethbridge Office of Research & Innovation to see how the Faculty of Health Sciences can support the mission to have our own research ethics board.
