GA Bonding Committee

- We had the opportunity to meet to plan an event for GA bonding to help keep up the positive rapport of the GA

Arts and Science Research and Teaching Meeting

- We worked on changing the terms that the committee operates under this month
- We also worked on planning for awards for teachers in the faculty so that they have some more recognition and to keep up morale in the faculty

Sexy Trivia Night

- The SU brought Samantha Bitty (a sexual health and consent educator) during sexy week to educate students about sex and play sexy trivia
- this was an amazing event and I hope it continues in the future

Stress Less Week

- I had the opportunity to be a part of the calm cafe's for stress less week, it was nice to see student participation and get feedback on how this event helps students

GA Awards Committee Meeting

- We discussed the awards that the ULSU gives annually, as well as adding a LEVY group award to notice all of the amazing work they do for the university and community

February GA Meeting

- This month's GA meeting was a quick one, we approved QIP funding for the Kin games and approved a budget for the Changeover budget

International Dinner

- I had the opportunity to be one of the GA members in attendance of the International Dinner and represent the GA
- This was an amazing event with an amazing Keynote speaker who I feel gave me an incredible insight to marathons in third world countries

Dirty Bingo

- We had Extra dirty bingo this month and it was really fun!
- We gave away lots of prizes and had an amazing turnout

GA Bonding

- We had a birthday party type event for GA bonding and I feel it was really instrumental in helping me learn about the other members of the GA and get closer to the people that I have not previously gotten the chance to get very close to!
