February, 2019 Report
Contribution Hours for February: 6.5
Total Contribution Hours: 53.5

General Faculties Council (1.5 hrs)

The GFC met to discuss the recent performance-based metrics for funding in post-secondary education in Alberta. We also observed a moment of silence during this meeting.

Calm Café (2 hrs)

Thanks to VP Academic Kate Potts, we've had an amazing Stress Less Week. I volunteered to help facilitate the Calm Café in UHall. There were free snacks and board games offered to students.

Strategic Planning Committee (1 hr)

The SPC met to discuss the 1st draft of the 2020-2025 Strategic Plan. We made some small edits and discussed a student initiative to get a stylized photo of the SU building for our cover page. We hope to have a presentable draft prepared for our March GA meeting.

General Assembly (1 hr)

The General Assembly had a very efficient meeting. We discussed the CASA Supercon Conference happening over the term break, approved a QIP proposal, and we are gently moving towards wrapping up the year with some final votes and transition materials.

Dhillon School of Business Academic Appeals Committee (1 hr)

The Academic Appeals Committee went over some cases that arose from the 2019 Fall semester. Unfortunately, I cannot delve into too much detail as this committee is extremely confidential. It was a productive meeting nonetheless.

THE UNIVERSITY OF LETHBRIDGE
