## LOOKING BACK

### Hours Breakdown

*(Meetings, events and activities that I've attended in my role, with an hours breakdown)*

**GFC Meeting** – Feb 3 (2 hrs)

**A&S Curriculum Committee Meeting** – Feb 14 (2 hrs)

**Seniors Night ProgHorns Basketball Tabling Event** – Feb 15 (6 hrs)

**Arts & Science Trivia Night** – Feb 26 (2 hrs)

**General Assembly Meeting** – Feb 27 (1 hr)

### Highlights and Reflection on monthly activity

*(Information of note, what went well, what did not)*

February was an active month focused on student engagement and governance participation.

**GFC and A&S Curriculum Committee Meetings:** These meetings provided important discussions on academic policies and curriculum changes, ensuring student perspectives were included in decision-making.

**Seniors Night ProngHorns Basketball Tabling Event:** This event was a great opportunity to engage with students in a high-energy setting while promoting student initiatives. I helped with outreach efforts and connected with students about available resources and upcoming events.

**Arts & Science Trivia Night:** This was a successful community-building event, encouraging student participation in a casual, fun environment while promoting connections between students and representatives.

**General Assembly Meeting:** Participated in governance discussions, ensuring student concerns were raised and addressed.

### Projects in Progress

*(Projects that I am currently working on, who I am working with, what resources do I require?)*

ULSU Governance: Preparing for the upcoming GA meeting and following up on student concerns raised at previous meetings.

Wrapping Up for the Year end: I plan on ensuring all my fellow GA members do well with their remaining time in their terms and making sure we are setting the future GA up for success.

### Completed Projects

*(Projects that I have completed, what went well, what did not, and why)*

**Seniors Night ProngHorns Basketball Tabling:** Successfully engaged with students, but there is room for improvement in increasing student awareness of ULSU initiatives at similar events.

**Arts & Science Trivia Night:** The second one we have hosted this academic year and both being a very big success in student turnout and engagement. I've found that now more students are interested in the operations of the ULSU and are ready to take part in the upcoming elections.

<b>Challenges I've encountered:</b> <i>(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).</i>	<p>Balancing Academic and Governance Responsibilities: Ensuring sufficient time for governance involvement while maintaining academic priorities.</p> <p>Lack of Awareness and Understanding of the Operations Manual: I've taken some time to revisit the ULSU Operations Manual and I am catching errors and mistakes made in our governance and I plan to address them before the end of my term.</p>
<b>Goals I've accomplished this month:</b> <i>(kept up with regular duties &amp;/or accomplished additional goals)</i>	<p>Strengthened student engagement through tabling at the Seniors Night Basketball Event.</p> <p>Contributed to academic discussions in GFC and the A&amp;S Curriculum Committee.</p> <p>Participated in student outreach and community-building through Trivia Night.</p>

## MOVING FORWARD

<b>Current or upcoming tasks:</b> <i>(upcoming activities or tasks I will be participating in or spearheading, possible timeline of completion, who will I be working with).</i>	<p>Preparing for the March General Assembly meetings</p> <p>Being aware of the on-goings of the upcoming ULSU general elections</p>
<b>Goals for next month:</b> <i>(What I would like to accomplish next month as a ULSU representative)</i>	<p>Continue advocating for student concerns in faculty and governance meetings.</p> <p>Increase student participation in faculty engagement initiatives.</p>
<b>Important dates/deadlines:</b> <i>(important deadlines related to my goals or position).</i>	<p>GFC – Mar 3</p> <p>ULSU General Elections Voting Period – Mar 4 – 7</p> <p>ULSU General Assembly – Mar 12 &amp; Mar 26</p>
