Future Executive Meetings

I met with several potential OpFi candidates for the upcoming year.

Board of Governors

I attended the Board Finance meeting and Board of Governors meeting. The minutes can be found at: <https://www.uleth.ca/governance/board-governors/board-meeting-minutes>

HR Meetings

A significant part of the OpFi role involves assisting to oversee the Human Resources of the ULSU. This month several meetings taking a substantive amount of time were conducted on various sensitive issues.

Drug Smart Meetings

We met with a potential pharmacy provider. We are looking at the logistics of putting a pharmacy on campus. This would be an amazing opportunity to increase the amount of services we can provide to our students on our campus.

Melorist Board & Board Finance Meetings

I had several meetings with the Melorist Board and Board Finance group. We are working on getting the CRA documentation up to date. At our last board meeting we also voted-in the Indignous rep.
