

Name: Tejaswani Khurana  
Position: Calgary Campus Representative  
Month/Year: July/2023  
Hours contributed: 15

Goals I am pursuing:  
NSO Calgary, patio event, mental health week

Meetings attended:

Meetings with various people, a check-in zoom call with Maleeka, meeting with Kristin, Maleeka, Rachelle, Dr. Michelle Helstein for the Navitas meeting. Various meetings with Spencer and Jessica regarding NSO and other brainstorming for events and creating engagement at the Calgary campus. A check-in with Brana for engagement ideas for international students.

Tactics on sharing SU event information:

During the meeting with Kristin and Kathleen, Kathleen offered me a spot on the newsletter and the advising team at the Calgary campus has offered to send ULSU event-related information to students on my behalf.

Various students approached me through the official mail for volunteering for events and create an engaging community within the campus.

I have upcoming meetings with Jessica and the rest of the advising team regarding NSO.

I also have an upcoming meeting with Joan Barredo, the former president of the U of L Calgary Student's Association for a collaboration opportunity for volunteers at WINS (Women in Need Society).

Furthermore, I have planned to set up a booth to provide information regarding ULSU, keep a ballot to see what kind of events students want to see at the campus, do a dance-off to break the ice, ping-pong game (without alcohol) and many more.

I have reached out to Cheri and Maleeka regarding getting some swag items and some gifts for winners and freshers.

Long term goals include creating engagement and a sense of belongingness through events like movie night, patio meet-up, Diwali celebration and many more.
