### **ULSU Strategic Planning Committee**

This committee continued the work of creating a strategic plan for the Students' Union to follow for the next several years. This month we focused on the structure of the overall document itself, and the recommended goals that fit under each large "focus."

### **January General Assembly**

At this month's General Assembly meeting we had a presentation from Kyra Gillert on the My Experience Transcript, which allows students to log their extra-curricular work in a university-approved transcript for job hiring purposes. We also approved the purchase of some new equipment for the Zoo.

### **Spring Club Rush**

During Club Rush I tabled for at the Students' Union's table, sharing information to students new and old about the SU's resources.

### **Meet the GA Day**

Holly Kletke, our Fine Arts Representative, had the wonderful idea of setting up a table for a couple of days in order to help our fellow students understand what it's like to sit on the Students' Union, and to answer any questions they may have about the resources the Students' Union provides. Thanks to everyone who came up to chat!

### **Prevention of Sexual Violence Action Committee**

Unfortunately, I was not able to attend this meeting, so if you have any questions about the work of this committee please reach out to VP Student Affairs Ryan Munn or my fellow Arts & Sci Representative Amy Lambert.

If you have any comments or questions about my report or my role as one of the Arts & Science Representatives, please feel free to reach out to me.

Cheers,
