Club Rush Week

During the winter Club Rush Week, I was tableling at the Students' Union table, our goal was to recruit volunteers and to inform the student body of the upcoming council election.

January General Assembly

Monthly meeting with the Student Union general assembly, the first one of the new decade!

TEDxULeth event

At the first ever TEDxULeth event, I was there on behalf of the Students' Union. It was an occasion for us to represent students in an event that brought a vast diversity of community members. I was also the occasion to hear incredible and inspiring speeches and life stories.

Dirty Bingo volunteering

This was the first Dirty Bingo event of the year and I was helping with checking bingo cards and sometimes with the computer.
