Highlights and Reflection on monthly activity

(Information of note, what went well, what did not)

January focused on engaging students through events and governance participation.

The ULSU Cabaret was a key social event that helped foster student engagement and community building. It provided an opportunity to connect with students in a more relaxed setting while promoting upcoming ULSU initiatives.

The Arts & Science Degree Committee Meeting and General Assembly Meeting were essential in discussing student concerns regarding degree pathways and faculty support initiatives. These meetings ensured student voices were considered in academic decisions.

Participation in the Student Code of Conduct Working Group contributed to shaping policies that impact students directly, ensuring fairness and clarity in academic and behavioral standards.

At the Student Service Fair, I helped raise awareness about available student resources and student government initiatives, improving outreach efforts for the ULSU.

The Academic Speaker Event, I attend and met the Gold Medalist for the Paris 2024 Olympics in Breaking – Phil Wizard
