## LOOKING BACK

**Meetings & activities attended, people I've spoken with:**

Note: The following meetings are listed by the occurrence date, not by importance. If you have any questions about anything laid out in the report, please feel free to contact me at [su.healthsci@uleth.ca](mailto:su.healthsci@uleth.ca).

### **New Student Orientation – 3.5 hours**

I helped welcome new students to the University of Lethbridge campus by answering questions and providing tours.

### **Alberta Alliance for Healthcare Providers – 2.0 hours**

I was able to meet with representatives of institutions across Alberta to investigate the coalition of healthcare related programs within the province.

### **GA Meeting – 4.0 hours**

We held two general assembly meeting to discuss student affairs, areas of growth, and opportunities for the second semester.

### **Faculty HSC Meeting – 2.0hrs**

Items discussed included events in our community and their impact on health sciences students, as well as other challenges seen within the student population.

### **SAIT Housing Meeting - 2.0 hours**

I met with a representative of the SAIT Student's Union to discuss how our two institutions can assist each other in tackling the student housing crisis.

### **Meetings for Student Related Concerns – 2.0 hours**

I met with a panel of faculty members to discuss academic cases within the student population as a representative of students.

### Promotion

- Promotion of events on personal Instagram account
- Wearing ULSU merchandise
- Preparing for all meetings by preparing questions & reading the agenda.

## CURRENTLY

### Projects I'm working on:

**EDIA Committee** – I am chairing the EDIA Committee and uncovering the impact we can have on policy in our community.

**Mentorship Project** – The mentorship program at large is airing its 2<sup>nd</sup> cohort of students amongst the Faculty of Health Sciences Students after program success in first semester.

**Connecting with RBC** – I will be re-connecting with RBC on campus to see how this group can provide educational services for University of Lethbridge Students.

**Connecting with ORIS:** I hope to connect with the ULethbridge Office of Research & Innovation to see how the Faculty of Health Sciences can support the mission to have our own research ethics board.
