Projects in Progress

(Projects that I am currently working on, who I am working with, what resources do I require?)

I am currently working on Fresh Fest 2023, working with the committee. That is the biggest and hardest thing on my plate right now. Planning is going well and I am excited for The week of.

Completed Projects

(Projects that I have completed, what went well, what did not, and why)

Since we have just started there are not a lot of completed projects but, there will be more completed projects in the future

Challenges I've encountered:

(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).

This month I have not really faced any challenges, more so sorting, and planning fresh fest, plus figuring out how to promote fresh fest

Goals I've accomplished this month:

(kept up with regular duties &/or accomplished additional goals)

Having meetings with likaisskini staff, Qspace, and SWAP to collaborate with some fresh fest events

MOVING FORWARD

Current or upcoming tasks:

(upcoming activities or tasks I will be participating in or spearheading, possible timeline of completion, who will I be working with).

The main thing that I am working on is Fresh Fest, almost every upcoming meeting will be about Fresh Fest and every other meet is with committees or with other staff in the university.

Goals for next month:

(What I would like to accomplish next month as a ULSU representative)

I would like to have the fresh fest meetings start to finalize a lot of the things we have planned for the U of L students.

Important dates/deadlines:

(important deadlines related to my goals or position).

Fresh Fest: September 4-9, 2023
