Independent Consultation Committee

I have been working on the ICC. This is a closed committee that will be going into May. We meet three times a week to discuss the various budget taskforces.

Executive-Elect Meetings

I met with several potential OpFi candidates for the upcoming year.

Board of Governors

I attended the Board Finance meeting and Board of Governors meeting. The minutes can be found at: <https://www.uleth.ca/governance/board-governors/board-meeting-minutes>

HR Meetings

A significant part of the OpFi role involves assisting to oversee the Human Resources of the ULSU. This month several meetings taking a substantive amount of time were conducted on various sensitive issues.

Melorist Board & Board Finance Meetings

I had several meetings with the Melorist Board and Board Finance group. We are working on getting the CRA documentation up to date. At our last board meeting we also voted-in the Indignous rep.

Given the nature of the role, many meetings may not be highlighted. If you have any questions about my report, please feel empowered to reach out at su.finance@uleth.ca
