Hours Breakdown

(Meetings, events and activities that I've attended in my role, with a breakdown of hours)

Faculty of Fine Arts Meeting: As per my usual monthly duties, I attended the faculty of fine arts meeting on May 26th. (2 Hours)

General Assembly Meeting: As per my usual duties, I attended the monthly GA meeting on May 27th. Due to my insanely busy schedule since the end of the work stoppage, this was the first one I was able to attend in some time. (1 1/2 Hours)

Meeting with Sam: This was a bit more delayed due to me being away for an internship, but I got together with Sam (VP External) on May 31st to discuss my advocacy hopes for the upcoming school year. (1 Hour)

Highlights and Reflection on monthly activity

(Information of note, what went well, what did not)

This month has been quiet for me as the school year began to wind down and took off to Calgary to partake in an internship. It was a nice break, but after meeting with Sam to discuss what I hope to accomplish this year, I am feeling refreshed and excited to tackle my position head on and know I will have significant support behind me.

Projects in Progress

(Projects that I am currently working on, who I am working with, what resources do I require?)

N/A

Completed Projects

(Projects that I have completed, what went well, what did not, and why)

N/A

Challenges I've Encountered:

(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).

N/A

Goals I've Accomplished this Month:

(kept up with regular duties &/or accomplished additional goals)

I was happy to be able to keep up with my regular duties this month but am also happy because I opened conversations about my initiatives for the upcoming year and was greeted with eagerness and excitement by two fellow union members who were eager to help me accomplish them as the year progresses.

MOVING FORWARD

Current or Upcoming Tasks:

(upcoming activities or tasks I will be participating in or spearheading, possible timeline of completion, who will I be working with).

As of right now, there is nothing really written in stone. I have been called to partake in my first academic appeals committee, so that is a bit exciting and nerve wracking. The only additional confirmed meeting is a GFC one. In June I hope to discuss my plans for the year in further detail with Sam and Gage in particular, but would be open to speaking to Juanita as well as she expressed interest in chatting with me. Additionally, at some point I will also be chatting with some fine arts faculty members about how students could play a role in recruitment efforts for the faculty.

Goals for Next Month:

(What I would like to accomplish next month as a ULSU representative)

I suppose my overarching goal would just to get a head start on my initiatives so that come fall, I can hit the ground running.

Important Dates/Deadlines:

(important deadlines related to my goals or position).

June 2nd: Academic Appeals Committee Meeting
June 6th: GFC Committee Meeting
