Highlights and Reflection on monthly activity

(Information of note, what went well, what did not)

All the meetings I attended this month went well. My first GFC was quite fast, and my nerves for my term slowly went away after attending multiple meetings. My team and I met with the mayor and his council, and I am hoping in the future we will work very closely with them for the benefit of our students. I interviewed 19 people for the first time, and it is safe to say that we recruited stellar people for the Fresh Fest committee.

<p>Projects in Progress <i>(Projects that I am currently working on, who I am working with, what resources do I require?)</i></p>	<p>I am currently working on Fresh Fest 2023, working with the new committee. That is the biggest and hardest thing on my plate right now, once the roles of the new committee members are given it will be easier to work on other events and plans for the 2023-24 school year.</p>
<p>Completed Projects <i>(Projects that I have completed, what went well, what did not, and why)</i></p>	<p>Since we have just started there are not a lot of completed projects but something that I have completed as I stated before is the final Fresh Fest committee, there will be more completed projects in the future</p>
<p>Challenges I've encountered: <i>(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).</i></p>	<p>I believe my biggest challenge was finding people to performers for Fresh Fest and finalizing the committee, we had multiple applicants, and it was very hard to choose</p>
<p>Goals I've accomplished this month: <i>(kept up with regular duties &/or accomplished additional goals)</i></p>	<p>My main goal was to make the week of Fresh Fest different, and with the way things have been going, I truly believe that student engagement will skyrocket just because of Fresh Fest and the team I have w me.</p>

MOVING FORWARD

<p>Current or upcoming tasks: <i>(upcoming activities or tasks I will be participating in or spearheading, possible timeline of completion, who will I be working with).</i></p>	<p>I have a COCA conference coming up in Vancouver to help with the student engagement within our school which I am very excited for. Deep diving for Fresh Fest planning with my new team.</p>
<p>Goals for next month: <i>(What I would like to accomplish next month as a ULSU representative)</i></p>	<p>Learn a lot at COCA and Fresh Fest planning</p>
<p>Important dates/deadlines: <i>(important deadlines related to my goals or position).</i></p>	<p>COCA: June 12-19, 2023</p>
