Arts & Science Council

Unfortunately, I was not able to attend this month's meeting. If you have any inquiries about the agenda, please reach out to one of the other Arts & Science representatives.

Mental Health Week: Paint Night

One of the events planned for Mental Health Week was a paint night, where students could come to the SU ballrooms to relax after studying and make some art! Thank you to all who came out!

November General Assembly

At this month's General Assembly meeting we held the by-election for the vacant Arts & Science Representative position. Thank you to all who ran, and congratulations to our new GA member, Ryan Lindblad!

General Assembly Bonding

The majority of the General Assembly got together one evening in to bond as a team. Many of us come from very different programs, and so it was an opportunity to get to know the people

THE UNIVERSITY OF LETHBRIDGE
STUDENTS' UNION

Office of the **ULSU**

we work with on a different level. It was a welcome change in pace from the more formal air of our regular meetings.

If you have any comments or questions about my report or my role as one of the Arts & Science Representatives, please feel free to reach out to me.

Cheers,
