- General Assembly Meeting (2.5 hours)
- Online Engagement Committee (1.5 hours)

General Assembly Refresh

I attended the GA refresh meeting to familiarize myself with GA rules and how GA meetings operate. I learned more about the ULSU and now have a better understanding of my responsibilities as a GA member and of the ULSU.

General Assembly Meeting

This month's GA meeting consisted of voting on items and voting in a new Dhillon School of Business Representative. We also discussed important actions that may occur with the University that will have an impact on students, such as NAVITAS. The executive council also filled us in on their work this month.

Online Engagement Committee

Unfortunately I was only able to attend one of the Online Engagement Committee's meetings this month. I prepared a schedule with ideas that I had that the committee could possibly carry out. These ideas were presented and

the committee liked them very much, now we are putting our first activity into action next month: A Holiday Crafts Competition!

GFC Library Committee

There was supposed to be a meeting this month but it was rescheduled to early December.
