Board of Governors

I attended a day-long Board Retreat. During the day we heard from Navitas executives as well as the Minister for Advanced Education. We also had several discussion periods to talk through the budgetary concerns.

Student Fee Review Committee

The Students' Union representatives attended the SFRC and voted in favor of one new fee. We discussed several other fees that were an item for information.

LRC Meeting

We met as a committee for the first time and had some great discussions around potential policy changes.

Navitas / Pathways Meetings

I attended Navitas presentations during A&S Council, Education Faculty Council, GFC, and the Board of Governors retreat. I continued to ask questions and learn more about their proposal.

CAUS Counterparts

I attended the CAUS counterparts conference and talked more with the various OpFi's throughout Alberta. It was a great conference and I really enjoyed speaking with my counterparts.

Food Bank- Projects & Planning

I attended several Swipe out Hunger meetings with PACT executives. They are planning some initiatives for the spring semester and we are working to collaborate.

Given the nature of the role, many meetings may not be highlighted. If you have any questions about my report, please feel empowered to reach out at su.finance@uleth.ca
