Highlights and Reflection on monthly activity

(Information of note, what went well, what did not)

This semester I got to hear lots of honesty from the student body and how we might be able to help them more because of our one on one conversations.

Projects in Progress

(Projects that I am currently working on, who I am working with, what resources do I require?)

Currently working on getting the right information spread to students regarding the potential strike and trying to alleviate their stress to the best of my abilities.

Completed Projects

(Projects that I have completed, what went well, what did not, and why)

The biggest project for me is getting all the right information about AUPE and their strike with up to date information all sorted through and being able to translate it into easy to understand information for students.

Challenges I've encountered:

(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).

It is difficult to work with people who do not all have the time and availability that I have and trying to plan around last minute meeting ideas when I have prior engagements.

Goals I've accomplished this month:

(kept up with regular duties &/or accomplished additional goals)

Maintained regular duties throughout the final season

MOVING FORWARD

Current or upcoming tasks:

(upcoming activities or tasks I will be participating in or spearheading, possible timeline of completion, who will I be working with).

Work on the Stress week with the Mental Health committee

Goals for next month:

(What I would like to accomplish next month as a ULSU representative)

Like to have more meetings with Arts&Sci reps to plan an event

Important dates/deadlines:

(important deadlines related to my goals or position).
