LOOKING BACK			
<p>NOTE: Please give more details than the examples shown. Also, if you have nothing to report in a particular line, just type in "Nothing to report".</p>			
<p>Goals I've accomplished:</p>	<p>Planned for and arranged a meeting with Gage and parking services to discuss the dangerous nose-in only policy. Met with the schools EDI director to have a conversation about what their office is doing and the pros and cons of different facets of work being done under the EDI umbrella.</p>		
<p>People I've worked with: <i>(list people you've worked with or who have been instrumental with providing info or help & what they did).</i></p>	<p>Gage, the EDIA committee, the Art Sci executive committee, GFC, Martha Mathurin-Moe, the GA, and the Arts and Sci council.</p>		
<p>Meetings I've prepared for: <i>(eg: Planning Committee meeting – read 50 page agenda & asked questions prior to the meeting so I would have well thought out ideas)</i></p>	<p>EDIA, meeting with Gage to talk through our case for parking, Arts Sci executive, GFC, Anti-discrimination and oppression training, Arts Sci council, GA, and a meeting with the EDI director.</p>		
<p>Meetings & activities attended, people I've spoken with:</p>	<p>All of the items listed above.</p>		
<p>Tactics on how I promoted SU events: <i>(eg: created & hung a huge banner in the atrium)</i></p>	<p>Word of mouth.</p>		
<p>Challenges I've encountered: <i>(eg: people won't get back to me when I leave them a message)</i></p>	<p>Upper level administration have busy schedules and it's hard to get as much value as you're hoping for out of a conversation when they can only provide you 30 minutes when discussing topics which require more time.</p>		
<p>How my work has impacted students in my constituency <i>(eg: students are enjoying the lounge area we restored and are making new friends).</i></p>	<p>Nothing to report. I hope as we move forward, effects will be seen down the line.</p>		
<p>Details on outcomes: <i>(eg: only 50 people attended my workshop, but they had a great time & learned a lot... give more details though.)</i></p>	<p>All is going smoothly. A follow up meeting with the EDI director is scheduled for January. Gage and I are scheduled to meet with parking services next month.</p>		

<p>Have read council reports: (eg: I've read everyone's council report and EC minutes so I'm well informed & a team player).</p>	<p>All meeting agendas and some council member's reports.</p>
CURRENTLY	
<p>Goals I'm pursuing: (list your goals no matter how insignificant they may seem, even if it's just to keep up with regular duties).</p>	<p>Continue my conversations about EDI and make sure that what we're doing is the best that we can be doing and makes sense. I want to provide students with an open forum to express their concerns about the university on a variety of topics and I want to organise a night for arts and science students to engage in some fun activities. Balancing all of this with my life and school work is a continuing goal.</p>
<p>Projects I'm working on: (name your projects with pertinent details & possible timeline of completion)</p>	<p>Arts and science game night and discussion groups.</p>
<p>Things I'm helping other people with: (please list the things you are helping others with and your duties).</p>	<p>Besides sitting on other people's committees and attending connection cafes, nothing to report.</p>
MOVING FORWARD	
<p>Upcoming activities (please list the upcoming activities you will be participating in).</p>	<p>A meeting about parking, next month's connections cafe, and every committee and council meeting I'm involved in.</p>
