LOOKING BACK

NOTE: Please give more details than the examples shown. If you have nothing to report in a particular line, just type in "Nothing to report".

Hours Breakdown (Meetings, events and activities that I've attended in my role, with an hours breakdown)	Executive accountability survey, GA meetings (NAVITAS, GA connectiveness), Executive accountability committee meeting, Courage to act series training (EDIA), ULSU food bank restocking assistance, EDIA meeting standby (did not occur till later than scheduled with no notice), DSB school council meetings		
Highlights and Reflection on monthly activity (Information of note, what went well, what did not)	Lots of meetings today, not a lot of personal initiatives but supporting current ones or assisting students such as the food bank as they are needing volunteers, timeliness is becoming an issue with other meetings causing me to miss them as final projects and whatnot come to a close		
Projects in Progress (Projects that I am currently working on, who I am working with, what resources do I require?)	Currently in talks with DSB school council about an agreement with NAVITAS and a DSB research ethics board, looking more into high flex options for students, and talking with the RBC oncampus to spread financial literacy		
Completed Projects (Projects that I have completed, what went well, what did not, and why)	No projects completed, lots of projects started this month		
Challenges I've encountered: (eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).	Timeliness for internal committees conflicting with classes and external committees, currently trying to get more volunteers for the ULSU foodbank resources		
Goals I've accomplished this month: (kept up with regular duties &/or accomplished additional goals)	Kept up with regular duties, very hands on regarding the advocacy for students during external meetings and RBC oncampus construction and opening completed		
MOVING FORWARD			
Current or upcoming tasks: (upcoming activities or tasks I will be participating in or spartbading passible timeling	Look into what can be assisted in for the new year, keep working with DSB council regarding high flex classes and professor apathy, and more work with the EDIA committee		

spearheading, possible timeline of completion, who will I be

working with).

(What I would like to accomplish next month as a ULSU representative)

Important dates/deadlines:
