Highlights and Reflection on monthly activity

(Information of note, what went well, what did not)

This month I was able to attend and present at the LEAD conference held in Gull Lake Alberta. I presented on a topic that I am very passionate about, safe sex.

|---|--|
| | I was also able to work closely with the cab committee and housing services to plan ORS's biggest event of the year, winter formal. It is all coming together very nicely, and I can't wait to see it happen in December. |
| Projects in Progress <i>(Projects that I am currently working on, who I am working with, what resources do I require?)</i> | I have planned a Lethbridge Hurricanes Hockey event for January for Residents. Within minutes all 75 tickets I had available were claimed so this event looks like it will be a huge success! I am looking into purchasing more tickets because of the interest! In order to get to the game people will either drive themselves or we will be having a group that will be taking public transit in order to make good use of our Upass's! |
| Completed Projects <i>(Projects that I have completed, what went well, what did not, and why)</i> | Attending LEAD. Planning a hurricanes hockey event. Planning winter formal. |
| Challenges I've encountered: <i>(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).</i> | I have had to overcome many challenges with helping plan winter formal. This was not an event that was originally supposed to have so many hands-on decks so we had to work to put in extra supports where needed. With this being said, it looks like this event is going to be amazing! |
| Goals I've accomplished this month: <i>(kept up with regular duties &/or accomplished additional goals)</i> | I am still working with connecting ORS with the SU. I have been able to increase resident engagement at SU events through promoting it on our social medias as well as in person. I will continue to do this in the future. I have been able to connect with more residents and encourage them to come out to events and reach out when needed. |

MOVING FORWARD

| | |
|---|--|
| Current or upcoming tasks: <i>(upcoming activities or tasks I will be participating in or spearheading, possible timeline of completion, who will I be working with).</i> | Keep prepping for the Hurricanes game as this will be a huge event. Plan ahead for next semester. |
| Goals for next month: <i>(What I would like to accomplish next month as a ULSU representative)</i> | Stay up to date with the happenings involving the potential strike. Continue to connect with residents where possible |
| Important dates/deadlines: <i>(important deadlines related to my goals or position).</i> | Winter formal December 3 rd |
