### Highlights and Reflection on monthly activity

*(Information of note, what went well, what did not)*

November was a productive month with a strong emphasis on governance and student engagement. Participating in the General Assembly and GFC meetings allowed me to advocate for Arts and Science students and contribute to discussions on student needs and university policy.

The Culture Market Event was a valuable opportunity to connect with students, highlighting the importance of diversity and cultural representation on campus. Additionally, the Executive Accountability Committee meeting was a key step in ensuring transparency within the ULSU by gathering feedback for our accountability initiative.

The Arts and Science Night was a major success, held in the Zoo Ballrooms. This event brought together students from the Arts and Science Faculty for an evening of engagement and networking.
