### Highlights and Reflection on monthly activity

*(Information of note, what went well, what did not)*

Overall this month went really well. Residents seem to be thriving and staying engaged with the activities that have been provided to them. We continue to advocate to our residents in our council meetings as well as executive meetings.

### Projects in Progress

*(Projects that I am currently working on, who I am working with)*

I will be attending the LEAD conference alongside 4 of my peers this coming November. As of now I am creating my presentation that I will be running at the conference and preparing for that. I am excited to attend this conference

with, what resources do I require?)	and see how ORS can better work with the university to provide the best experience possible for residents.
<b>Completed Projects</b> (Projects that I have completed, what went well, what did not, and why)	Nothing to report.
<b>Challenges I've encountered:</b> (eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.)	Unfortunately, we were unable to attend a Calgary Stampeders game due to issues involving transportation. I am working on ways to hopefully attend a flames or roughnecks game in the future as well as am looking at ways that we can connect with the Lethbridge hurricanes.
<b>Goals I've accomplished this month:</b> (kept up with regular duties &/or accomplished additional goals)	I am still working with connecting ORS with the SU. I have been able to increase resident engagement at SU events through promoting it on our social medias as well as in person. I will continue to do this in the future.
