- Clubs' Council
- Culture week meeting with likaiskini
- Student Award Committee meeting
- Halloween Cab

Last Week

- Scary Movie Night
- Schoolwide Scavenger Hunt
- Connections Café
- Student Fee Review Committee meeting

Summary

October was not too eventful till the end the month with planning of Halloweek and some planning of Culture week with Annie, ULSU International rep. Through out the month there are weekly meeting with some staff at the ULSU office and the executive council. The events during the month had a great turnout except for the scavenger hunt and movie night, hopefully next time it will be better attended and promoted. The Halloween Cab and Connections Café was very well attended, we reached capacity for the Cab three separate times through the duration of the event. I am hopeful that culture week and our poetry event will be well attended in November. One thing I need to work on is promotion, I anticipate better promotion of ULSU events and initiatives.
