<p>Highlights and Reflection's</p> <p>(Information of note, what went well, what did not)</p>	<p>October has been a busy time in residence, as students are getting into the swing of the school year. Engagement has still been great, but is beginning to trend downward as expected as midterms approach. ORS has continued to work well together, and have been successfully making a difference within our community. There has been many section and facility events hosted, and our residence community has been eager to attend and support them.</p> <p>It has been really great to attend and assist with more ULSU events this month as well, as I balance my time between both of my roles.</p>
<p>Challenges</p> <p>(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.)</p>	<p>It was really disappointing to not be able to put on my petting zoo event as my first residence-wide event this month. Because of insurance issues/documentation, it could not be held on my preferred date and time. However, I am still planning on holding this event in the spring, as Gentle Giant Acres has been extremely helpful and supportive to transitioning to a later date instead.</p> <p>I am still working towards balancing all of my roles, and ensuring cohesion between the different teams I manage and interact with. It has still been a learning process for me, and I am really trying to manage my time as successfully as I can.</p>
<p>Goals Accomplished</p> <p>(Kept up with regular duties &/or accomplished additional goals)</p>	<ul style="list-style-type: none"> • Winter Formal preparation is complete, as the venue and bussing has been finalized, which is really exciting! I have meetings scheduled with the Cabaret Committee in order to work on next steps, including ticketing, decorations, and much more. • Continued to keep up with regular duties.
<p>Current/Upcoming Tasks</p> <p>(Upcoming activities or tasks I will be participating in or spearheading, possible timeline of completion, who will I be working with)</p>	<ul style="list-style-type: none"> • Continue assisting with Winter Formal preparations • Continue working towards Residence-Wide event after reading week • GFC & GA Meetings • Regular ORS Obligations
<p>Goals for Next Month</p> <p>(What I would like to accomplish next month as a ULSU representative)</p>	<ul style="list-style-type: none"> • Successfully hold Winter Formal event • Finalize residence-wide event for after reading week
<p>Important Dates/Deadlines</p>	<p>November 7th - GA November 21st - ORS Winter Formal November 25th - DPAC</p>
