### Highlights and Reflection on monthly activity

*(Information of note, what went well, what did not)*

This was quite a busy month for me, which I appreciate because it allowed me to play some catch up on my hours. The newest thing I've gotten involved in this month is the search for a new Faculty of Fine Arts dean, which is an interesting new experience and another side of post-secondary administration that I haven't had the chance to see before. It was also a lot of fun to take part in some more SU events such as Mental Health Week and Dirty Bingo!

### Projects in Progress

*(Projects that I am currently working on, who I am working with, what resources do I require?)*

Currently I don't have any projects in progress per se, but I have been working with some fine arts students to address a problem that has popped up within one of our departments. I am hoping to make some headway with this throughout the rest of November.

### Completed Projects

*(Projects that I have completed, what went well, what did not, and why)*

Nothing to report.

**Challenges I've Encountered:**

*(eg: I can't get volunteers, not enough funding, the equipment didn't work properly, etc.).*

I suppose one of the biggest challenges I've encountered this month is just being able to find time to fit all my responsibilities in. For instance, I was unable to attend GFC because of class commitments. My days regularly go up to four or five o'clock and meetings with any sort of administration don't tend to bleed into the evenings.

**Goals I've Accomplished this Month:**

*(kept up with regular duties &/or accomplished additional goals)*

The biggest goal I had this month was to play catch up on hours and I am glad that I achieved that. Come the end of November, I will have completed my forty mandatory hours which is nice and takes some pressure off as we head into the last stretch of the semester.

## MOVING FORWARD

**Current or Upcoming Tasks:**

*(upcoming activities or tasks I will be participating in or spearheading, possible timeline of completion, who will I be working with).*

Mostly I intend to keep working with students to address the problem that have popped up, as aforementioned. Additionally, I would like to begin roughly planning out my Arts in the Atrium events that I hope to have a couple of times next semester.

**Goals for Next Month:**

*(What I would like to accomplish next month as a ULSU representative)*

Next month I hope to keep working towards fulfilling all my duties and hopefully finding some time to get ahead for what I hope to achieve in the New Year to make my life a bit easier as I have a very busy second semester.

**Important Dates/Deadlines:**

*(important deadlines related to my goals or position).*

November 16<sup>th</sup>: Anti-Discrimination and Oppression Training (unable to attend)
