MEETINGS

Academic Appeals Committee Meeting

- Reviewed the files pertaining to two cases.
- Discussed each case with the rest of the committee members.
- Came to a decision and voted on the decisions as a committee.
- Reviewed letters that the committee chair was to send to the students, informing them of our decisions.

Meeting with Brittany to discuss Academic Appeals

- Following review of the case files for the academic appeals that were presented to me, I met with VP Academic Brittany for clarification on some matters.
- I wanted to ensure I was getting as much information as possible, so as to evaluate the cases fairly so I reach out to Brittany as she had been previously involved with these cases.
- Our conversation was done privately, and confidentiality was respected.

Mental Health Wellness Committee Meeting

- Helped plan Wellness week.
- Figured out the logistics of the events we were running.

October Arts & Science Executive Council

- Revised the agenda for the October Arts & Science Council Meeting.
- I recused myself from discussions and voting on Undergraduate Travel Awards, as I was an applicant.

October Arts & Science Council

- Updated on end-of semester affairs.
- Briefed on enrollment data.
- Heard from a graduate student representative about grad student recruitment.
- Listened to the Dean's report, and reports from representatives of other councils.
- Public professor speech given by Dr. Susan Dieleman.

October GA Meeting

- Heard reports from all council members.
- Received a presentation from the Canadian Alliance of Student Associations (CASA)
- Approved of expenditures for Culture Week and a new dishwasher for the Zoo
