

Name: Tejaswani Khurana  
Position: Calgary Campus Representative  
Month/Year: October/2023  
Hours contributed: 15-20

Goals I am pursuing:  
Halloween, Diwali

Meetings/events attended:

Meetings with Kristin to set priorities for the semester: discussed events like Halloween and Diwali.

Meetings with Kristin, Scott and Spencer to discuss ideas for Halloween.

Formulated the budget proposal for Halloween and sent it to Maleeka for EC approval.

Finalized the details for Halloween, went to purchase all the materials required for the event with Kristin and Scott.

The Halloween event was held on October 31 in the 6<sup>th</sup> floor foyer, the turnout was great. We had around 100 RSVPs and we saw almost 70 students which is a success considering this was the first event in a very long time. There were fun activities like karaoke, costume contest, photo booth etc. which gave students an opportunity to engage with other students.

The Calgary campus has shared their purchases and I have attached purchases from my end with this report in the email.

Further, I formulated the proposal for 'Diwali Dhamaka' and have started the preparation for the same.

Tactics on sharing SU event information:

During the meeting with Kristin and Kathleen, Kathleen offered me a spot on the newsletter and the advising team at the Calgary campus has offered to send ULSU event-related information to students on my behalf.

Long term goals include creating engagement and a sense of belongingness through events like Diwali celebration and many more.
