LOOKING BACK

NOTE: Please give more details than the examples shown. Also, if you have nothing to report in a particular line, just type in "Nothing to report".

Goals I've accomplished:

Established working relationships with relevant GA, GFC & Mental Health committee members

Advocated for DSB students, responsible expenditure of the budget and student friendly services in first GA meeting

Continued work with Lucas on establishing increased reliability and transparency measures in relation to DSB members

Networked with DSB student members at ULSU events (Fresh Fest)

People I've worked with:

(list people you've worked with or who have been instrumental with providing info or help & what they did).

Worked with Cheri, Gage, Kairvee and Coral on the first steps of getting accustomed to ULSU policies, procedures, practices and projects.

Worked extensively with Lucas on the brainstorming of ways we can engage and connect with DSB students both in person & virtually

Meetings I've prepared for:

(eg: Planning Committee meeting – read 50 page agenda & asked questions prior to the meeting so I would have well thought out ideas)

Read & took notes of first GFC meeting agenda

Read through and debriefed on Mental Health Committee agenda. Completed planning for mental health week activities

Read & took notes of first GA meeting of the school year at the beginning of Sept

Meetings & activities attended, people I've spoken with:

Tactics on how I promoted SU events:

Nothing to Report

Challenges I've encountered:

(eg: people won't get back to me when I leave them a message)

Just a few troubles getting sorted and established in the ULSU way of doing things. Had to get up to date with all relevant policies and procedures as a general assembly member.

Nothing else of importance

How my work has impacted students in my constituency <i>(eg: students are enjoying the lounge area we restored and are making new friends).</i>	Nothing to report as of right now
Details on outcomes: <i>(eg: only 50 people attended my workshop, but they had a great time & learned a lot... give more details though).</i>	Nothing to report as of right now
Have read council reports: <i>(eg: I've read everyone's council report and EC minutes so I'm well informed & a team player).</i>	I have read every report and handout available to me at this point in the semester. I have tried to keep myself up to date as best as I can.
<h2>CURRENTLY</h2>	
Goals I'm pursuing: <i>(list your goals no matter how insignificant they may seem, even if it's just to keep up with regular duties).</i>	1. Keeping up with the day-to-day duties of my position 2. Continue collaborating with Lucas on potential project and ideas that can implemented 3. Increase the amount of interaction and general familiarity the DSB has with the ULSU
Projects I'm working on: <i>(name your projects with pertinent details & possible timeline of completion)</i>	Mental Health Week - Mental Health Committee Potential Transparency project with Lucas -> still just in the brainstorming phases but would ideally like to set up a way to make 1-1 communication with a ULSU rep more accessible and easy for the average student. Both Lucas and I think such a system or format would allow the ULSU and the DSB greater trust and synergy, at least with respect to the ULSU's relationship with DSB students.
Things I'm helping other people with: <i>(please list the things you are helping others with and your duties).</i>	Nothing to report
